UNDER 37 C.F.R. §1.47(a)

Mail Stop Missing Parts
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

I, Steven C. Petersen, am an attorney at Townsend and Townsend and Crew LLP, representing Puronyx, Inc. in the above-referenced patent application. I have made diligent efforts to contact Mr. Alan E. Jordan, a co-inventor for the above-referenced case.

On September 17, 2003, the above-referenced patent application was filed by our office on behalf of Puronyx, Inc. with missing parts. On November 26, 2004, a Notice to File Missing Parts from the U.S. Patent Office was mailed to our office.

Combined Declarations and Powers of Attorney together with an instruction letter dated April 22, 2005 were mailed to Leslie J. Sebastian, our contact person and president of Puronyx, Inc., for the purpose of having these documents executed by all the inventors,

including inventor Jordan. At this point Ms. Sebastian assumed the task of gathering the inventors' signatures and subsequently forwarding the executed documents to our office. Having received no further word from Ms. Sebastian in the interim, I had forwarded a reminder copy of our April 22 letter to Ms. Sebastian on May 13, 2005 (Exhibit A attached).

Ms. Sebastian's failed attempts to contact inventor Jordan between the time she received our original instruction letter and today are outlined in her Declaration filed concurrently herewith.

The undersigned, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the patent application or any patent resulting therefrom, declare that I am authorized to execute this instrument on behalf of applicants; all statements made of my own knowledge are true; and all statements made on information and belief are believed to be true.

I, Leslie J. Sebastian, am president of Puronyx, Inc. of 9853 Pacific Heights Blvd., Suite L, San Diego, CA 92191, the owner of the above referenced patent application. I have made diligent efforts to contact Mr. Alan E. Jordan, a co-inventor for the above-referenced application.

After receiving a letter dated April 22, 2005 from our patent attorney Steven C. Petersen with enclosed Declaration and Power of Attorney (Exhibit A attached), I forwarded to all inventors named in the Declaration a Federal Express envelope, containing an instruction letter dated April 26, 2005 (Exhibit B attached) and a copy of the Declaration and Power of

Attorney for each inventor's signature. A copy of the Federal Express shipping invoice for each inventor (Exhibit C attached hereto) indicates that the envelope was picked up from our office on April 27, 2005 and, as evidenced by the Federal Express Track Shipments - Detailed Results for inventor Jordan (Exhibit D attached hereto) delivered to inventor Jordan's last known address at 7216 Plaza De La Costa, Carlsbad, California 92009, telephone number 760-224-2210, on April 28, 2005. The document was left at Mr. Jordan's front door. I received no response from inventor Jordan to my letter of April 26.

Mr. Jordan was the CEO and a shareholder of Puronyx, Inc. Mr. Jordan provided the above address to Nexcore Capital to be used for all his correspondence. Nexcore Capital is an investment banker and is engaged by Puronyx, Inc.

During April and May of 2005, numerous telephone messages were left at 760-224-2210, the telephone number Mr. Jordan had indicated should be used to reach him. No responses to these messages were received.

In the first week of June, 2005 Mr. Jordan returned a telephone call to Mr Peter Stern regarding the messages from Puronyx, Inc. Mr. Peter Stern is the Chairman of the Board of Puronyx. Mr. Jordan told Mr. Stern that he was on an extended vacation in Mexico and that he would either sign the documents upon his return or send us an address in Mexico to send the documents. Mr. Jordan indicated it was hard to reach him at times.

In the first week of June, Mr. Jordan sent a fax to Mr. Peter Stern with information regarding his address in Mexico. Unfortunately, the fax was completely illegible. Mr. Stern immediately called the telephone number provided by Mr. Jordan and left a message informing him that the fax information had not been received. He has called three more times and left messages, but to date has received no response from Mr. Jordan.
